

CSR

Taiwan Fructose has devoted to welfare of the society and implemented the corporate social responsibility since the establishment of the company. Therefore, we encourage employees to participate charitable events in order to enhance the internal cohesion in company and also make effort to help the underprivileged groups. The total expenditure of charitable events in 2016 was \$711,200 NTD.

1. Charitable Fair of Taiwan Fund for Children and Families:

Taiwan Fund for Children and Families (TFCF) is an international non-governmental organization that dedicates itself to award needy children and their families with welfare and benefits. Additionally, “Taken from society, give back to society” is the spirit of Taiwan Fructose.

Except the donation to specific foundations, we also took part in the charitable fair which was organized in December 2016. On the one hand, by selling the products of our company such as fructose, maltose and also held a cookie making experience for introducing the benefits of maltose for children, we offered the assistance to over 1500 underprivileged families.

On the other hand, employees gradually united through the efforts and the common goals, and realized the importance of corporate social responsibility.

2. Maltose Golf Cup Charity:

Taiwan Fructose organized the 4th Maltose Golf Cup in 2016 and there were total 77 persons have entered the competitions since 2013. Many teenagers who have great abilities dream to be an outstanding golf player, but there are no enough resource and the site for them.

Consequently, we made a lot of effort training their skills from each other and then gave them the opportunity to accomplish their dream. Hope that the teenagers will success with a grateful mind and know how to contribute to the community.

In addition, we wish Maltose Golf Cup would tend to be a national competition firstly and then become a world cup that lead Taiwan to the international stage.

3. Overseas Muslim Business Visits:

The Halal food Authority rules for halal are based on Islamic and concerned with a standard of integrity, faith as well as collaboration. Taiwan Fructose gained the Halal Certification in order to expand Halal market.

As a result, we took charge of the reception company assigned

by the National Association of Small & Medium Enterprises to the Muslim in Malaysia and Indonesia in 2016. Furthermore, there was not only business communication but also culture exchange between representatives of each countries.

4. Adopt Street Lights:

Community care plays an important role in corporate social responsibility. The issue of residence's safety and the problem of lighting at night should be concerned seriously.

Therefore, Taiwan Fructose have adopted 10 street lights which located at Guangfu E. Rd., Pitou Township, Changhua County since 2015.

Overall, we are looking forward that every employee will be dedicated to community charitable events.
